

**Valencia Respiratory Care Program's
41st Anniversary & Alumni Reception
honoring Mr. Lynn Capraun**

Friday, October 23, 2009, 2:00 p.m. – 5:00 p.m.
Valencia Community College
West Campus, Health Sciences Building (HSB) Room 105
1800 S. Kirkman Road, Orlando, FL 32811

Did you know there have been over 600 graduates from Valencia Community College's Respiratory Program since 1968? Many of these graduates and their guests, faculty members, current students and friends associated with the program over the years will celebrate at the 41st Anniversary Alumni Reception honoring the program's founder, Mr. Lynn Capraun, for his many contributions. The reunion will be an opportunity not only to reconnect with old acquaintances but also to establish new connections.

We would like to ask that your organization consider becoming a sponsor for this celebration. Your support can help to offset event costs and allow us to be able to offer an affordable charge of \$25 per person. Your sponsorship support will enhance your public image as a champion for higher medical education -- both locally and nationwide -- since many Valencia Respiratory Care Program alumni are employed throughout the country. Many look forward to making the trip to Orlando to see what's new in Valencia's Health Sciences Programs, to see old friends and to honor Lynn Capraun. One 1994 alumnus and his wife will be travelling from Maine for the celebration! Another bonus of your sponsorship support is that 25% will support the development of a new "Valencia Alumni Respiratory Care Scholarship."

A sponsorship level sheet is attached for your consideration. More information about the celebration and the scholarship can be found at <http://www.valenciacc.edu/alumni/calendar.cfm> or by calling the Valencia Alumni Relations Office at 407-582-2946 or via email at alumni@valenciacc.edu.

Thank you in advance for your support! Please do not hesitate to contact us if we can provide more information.

Sincerely,

The Valencia 41st Respiratory Anniversary Alumni Planning Committee
