and

EET1025C Fundamentals of AC Circuits (3 Credits)

or

EET 1036C Fundamentals of DC/AC Circuits (6 cr)

Recommended Electronics Engineering Electives (4 cr)

MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive fifteen to nineteen (15) semester hours of college credit towards the Electronics Engineering Technology Program at Valencia Community College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia and Orange County Public Schools faculty and staff with responsibility for supervision and coordination of the Electronics Engineering Technology and Electronics Technology programs have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work and that the learning outcomes are:

EDUCATIONAL PROGRAM (CONT.)

1. consistent with the course work in AAS/AS degree being articulated.
2. taught by faculty who have a minimum of an AAS/AS degree in the required area or meet other described criteria.

TRANSFERRING PROCESS

The transferring student must have compiled a GPA of "C" or better and must furnish a certificate of completion for the Electronics Technology Program at Mid Florida along with an official signed copy of their student record (or have the OCP certificates with the teacher's signature). To have the courses reported on the official Valencia Community College transcript, transferring students must:

1. Meet regular College entrance requirements.
2. Complete the College Application and pay the College Admission Fee.
3. Be accepted into Valencia within five years of completing the Electronics Technology Program.
4. Declare a major in the articulated program.
5. Comply with the appropriate placement, course prerequisites and requirements of the college.
6. Successfully complete course work with a "C" or better at Valencia while currently enrolled on either a part-time or full-time basis for one semester to have the credit awarded on the official college transcript.
7. The Dean of Engineering, Architecture and Technology, West Campus at Valencia and the Program Director for Electronics Engineering Technology, West Campus, at Valencia, will evaluate the student's record and notify the Registrar's Office of acceptable credit to be transferred and awarded.
