This is the governing catalog for new students entering Valencia Community College in the 2004-05 academic year and for any Valencia student returning in the 2004-05 academic year whose governing catalog has expired. Valencia reserves the right to make changes in the regulations and offerings announced in this catalog and in the official version online at <http://valenciacc.edu/catalog>, as circumstances require. It is expected that the only changes from the print version to the online version will be the correction of errors and the inclusion of new courses and programs approved for offering in mid-year.
