District Board of Trustees

Each of the 28 community colleges in Florida's statewide system is under the local control of a lay District Board of Trustees composed of citizens who serve without pay and are legally vested with decision-making power in all matters of college policy, programs, building, budget and personnel.

Each trustee is appointed by the governor. Eight Orange and Osceola County citizens form the Valencia Community College District Board of Trustees. Meeting in eight official sessions each year, along with occasional special meetings and workshops, these civic-minded individuals contribute their time and talent to guiding the development of Valencia Community College so that it remains responsive to the educational needs of its local community.

Jerry D. Buchanan
Chairman

Jerry Buchanan is a retired bank executive. She is a graduate of Vanderbilt University and also is a product of Florida's community college system. She resides in Orlando and is active on the Women's Business Council of the Greater Orlando Chamber of Commerce.

Lawrence D. Slocum
Vice Chairman

Larry Slocum, retired Walt Disney World executive and resident of Kissimmee, is also on the board of directors for the Valencia Community College Foundation. Over his long career with Disney he was involved with the openings of the Magic Kingdom, EPCOT, Disney/MGM Studios and Disneyland Paris. He is a graduate of the University of Denver.

Ronald D. Blocker

Ronald Blocker is superintendent of Orange County Public Schools. A resident of Orlando since 1977, he serves many local organizations including the Central Florida YMCA, Central Florida Boy Scouts of America, the Florida Association of School District Superintendents, United Arts, and the Mid-Florida Economic Development Commission. He is a member of Phi Delta Kappa. He received both his Bachelor's and Master's degrees from the University of Florida.

Jose M. Hoyos

Jose Hoyos, a loan officer with Florida Mortgage Partners, was born in San Juan, Puerto Rico and has been a Central Florida resident since 1989. He has been involved with organizations such as the Hispanic Chamber of Commerce, the Puerto Rican Chamber of Commerce, and the First Mexican Chamber of Commerce.

Bertica Cabrera-Morris

Bertica Cabrera-Morris, a resident of Orlando, is a consultant and restaurateur. Her experience includes 11 years in Orange County Public Schools in governmental relations and school planning, and service as the Assistant to the Orange County Chairman for Community Affairs and Public Relations. She is president of Bertica Cabrera Consulting, and owns two local restaurants.

Lew Oliver is a law partner at Granet & Oliver P.L.L.C, and resides in Orlando. He has been a Florida resident since 1970, and received his Bachelor's degree from Stetson University, and his Juris Doctorate from Georgetown University Law School. He previously served as Senior Vice President of AMT Inc., a transportation technology firm, and as Vice President for Neotonus, Inc.

About Valencia Community College

Valencia Junior College was founded in February 1967 by the Orange County Board of Public Instruction and the State Board of Education under authority granted by the 1961 session of the Florida Legislature.

In Fall 1967, the Charter Class, limited to freshmen, began classes in temporary facilities on West Oak Ridge Road, Orlando.

In July 1967, the College Advisory Committee became the Valencia Junior College Board of Trustees and replaced the Orange County Board of Public Instruction as the governing body of the College.

The following have been landmark events in the history of the College:

- Being granted full accreditation by the Southern Association of Colleges and Schools in 1969
- Changing its name from Valencia Junior College to Valencia Community College in 1971
- Moving to a first permanent campus in 1971
- Adding Osceola County to the College district in 1974
- Opening McCoy Center in 1974
- Opening East Campus in 1975
- Opening Osceola Campus in 1997
- Opening Winter Park Campus in 1998
- Opening the Sand Lake Center in 2004

In response to burgeoning student population, the College anticipates opening two additional campuses during the next decade.

Accreditation

Valencia Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award the Associate in Arts, the Associate in Applied Science, and the Associate in Science degrees.

Valencia's Statements of Institutional Purpose

Vision

Valencia Community College is an extraordinary learning community.

Values

We value:

- each learner by promoting personal success, high academic standards, civic and personal responsibility, and a love of learning.
- each member of the faculty and staff as a learning leader.
- the ongoing personal and professional development of learning leaders throughout the college community.
- the mastery of the core competencies—Think, Value, Communicate and Act.
- the potential of each person to learn.
- planning skills that enable students to create, integrate, and achieve personal, career, and educational goals.
- an accessible, supportive, and safe environment in which people learn and work.
- a communicative, respectful, collaborative collegiate culture.
- a caring and professional relationship among student learners, employees, and the community.
- diversity and the learning opportunities that it creates.
- partnerships for community and workforce development.
- the purposeful use of technology and other tools that enhance learning.
- academic, professional, and personal integrity.

Mission

Valencia Community College provides outcomes-oriented, quality learning opportunities by:

- achieving, measuring, and applying the results of learning.
- emphasizing critical and creative thinking, effective communication, collaboration, and workplace skills.
- maintaining an open-minded, nurturing, and collaborative environment.
- reaching out to potential students and providing affordable, accessible learning opportunities.
- fostering enthusiasm for lifelong learning.
- motivating learners to define and achieve their goals.
- respecting uniqueness and appreciating diversity.
- encouraging faculty and staff to continue professional growth.
- partnering with businesses, industries, public agencies, civic groups, and educational institutions that support learning and promote the economic development of Central Florida.

Statutory Purpose

Valencia is a publicly supported, comprehensive community college that continually identifies and addresses the changing learning needs of the communities it serves. The College provides:

- associate degree programs that prepare learners to succeed in university studies.
- courses and services that provide learners with the right start in their college careers.
- associate degree, certificate, and continuing professional education programs that prepare learners for entering and progressing in the workforce.

Valencia's Roles and Functions

1. The Transfer Function

A college-level program of general education and specialized courses designed to prepare students to transfer to baccalaureate degree-granting colleges and universities.

2. The Technical Education Function

Technical college-level courses and programs designed to prepare students to enter immediately into the workforce.

3. The Economic Development Function

Workplace preparedness provided through courses, workshops, conferences, seminars, and activities designed to support economic development and meet the needs of the community by preparing students for high-wage, high skill jobs.

4. The General Education Function

General education courses designed to prepare students for responsible citizenship, for wholesome and creative participation in life activities, and for intelligent decision making.

5. The Student Services Function

Student Services and activities designed to assist students in assessing and achieving their goals through academic, career, and personal decision making and planning.

6. The College-Preparatory Function

College-preparatory courses designed to enable students to achieve college-level competency in reading, writing, mathematics, and elementary algebra.

Valencia's Economic Development

Valencia is an essential partner with local businesses and communities, helping to create sustainable, quality jobs for the Central Florida area by providing educational programs directed toward developing markets.

As a partner with federal, state and local organizations, Valencia develops and improves upon training in the region for business and economic development. The college determines how best to integrate federal and state workforce funding to improve training and job placement by targeting occupations that are critical to retaining and expanding existing businesses and recruiting new industries to the region.

Valencia responds effectively to meet the needs of business and industry through its flexible structure of programs, courses, workshops and conferences. The college's curriculum is designed to enhance the learning process and increase worker productivity in high-skill, high-wage jobs to make workers more competitive, efficient, and marketable.

Valencia offers college credit and certificate programs to individuals at Valencia's campuses throughout Orange and Osceola Counties.
