

Valencia Emeriti

The Emeritus Program honors former faculty and staff whose contributions have built Valencia into one of the most respected community colleges in the country. In order to be eligible for this prestigious award, individuals must have been employed at Valencia Community College in a full-time capacity for a minimum of ten years and demonstrated excellence in one of the following categories: distinction of service, leadership in their respective fields, or contributions to the college.

The following individuals have been nominated by their peers, approved by the College President, and granted the distinguished President Emeritus and Valencia Emeritus status by the District Board of Trustees:
