

1. Training School Name: \_\_\_\_\_ 2. Class Number: \_\_\_\_\_

3. Student's Printed Name: \_\_\_\_\_

4. Student's Identification Number: \_\_\_\_\_ 5. Proficiency Demonstration Retest Number: \_\_\_\_\_

6. This performance evaluation is for: Basic Recruit Student  OR Instructor Student

7. \_\_\_\_\_  
Student's Signature
Date

8. \_\_\_\_\_  
Lead Instructor's Printed Name
Lead Instructor's Signature
Date

9. **Evaluation:** Evaluate the student on each performance listed at the end of each lesson, unit, or at the end of the course. Instructor(s) shall mark the appropriate box for Pass (P) or Fail (F). Instructors shall print and sign their name for the performance(s) they observe and rate. Comments may be used at any time, but are required for a failure. Indicate the date the student completed the performance evaluation:

Date the first evaluation was completed: \_\_\_\_\_ Date the retest was completed: \_\_\_\_\_

10. **Requirements:** Place a check in the boxes provided for either **PASS** or **FAIL** to signify the student's overall proficiency demonstration. A basic recruit student and instructor student shall demonstrate with 100% accuracy to pass the practical portion of the course.

Overall Proficiency Demonstration: Pass  Fail

11. **Deficiency(s) in student performance and remediation:** If the **basic recruit student** fails, note any deficiency(s) in the student's performance. Be specific and indicate where improvement is necessary to achieve a passing score. If the **basic recruit student** was not successful in demonstrating the required proficiency skills on the first attempt of any exercise, complete and attach the remediation plan. A basic recruit student shall only be allowed one remediation for each exercise. An **instructor student** is not allowed any remediation.

**II. Cardiopulmonary Resuscitation:** The required topics shall include Foreign Body Airway Obstruction, Rescue Breathing, and CPR on an adult, child, and infant, and shall include AED training. A student is required to successfully complete CPR/AED training to pass the course.

**Designated CPR Associated Standards.** The standards for performance for CPR are determined by the lead CPR instructor's affiliated certifying association guidelines from an entity referenced in Rule 64E-2.038, F.A.C. The CPR instructors' affiliated association shall set the CPR performance criteria and cognitive CPR examination. A **basic recruit student** who does not meet the designated association CPR standards shall not be permitted to take the end-of-course examination for the CMS First Aid for Criminal Justice Officer Course. An **instructor student** who fails any skill shall have failed the course. Each association may use a specific performance evaluation form. Documentation from the CPR evaluation will transfer to this form as proof of passing the demonstration and include the form in the course file.

Retest: _____ <div style="display: flex; justify-content: space-around;"> <span>Instructor's Printed Name</span> <span>Instructor's Signature</span> </div>			

---

### INSTRUCTOR TO STUDENT RATIO

For instruction of the CMS First Aid for Criminal Justice Officers Course or CMS First Aid Instructor Course, at least one Commission-certified CMS First Aid Instructor shall be required for every ten students actively engaged in the practical and performance areas of the training. Instructors shall hold a current CPR Instructor Certification from an entity referenced in Rule 64E-2.038, F.A.C. **Actively engaged** is defined as "a student involved in the practical performance of any first aid skills training." For CPR instruction, follow the guidelines of your instructor's certifying agency affiliation instructor to student ratio.

### BASIC RECRUIT STUDENT PROFICIENCY REQUIREMENTS

A **basic recruit student** shall demonstrate all the required First Aid High-Liability Proficiency Skills at 100% to receive a passing score with the results recorded on this form.

### INSTRUCTOR STUDENT PROFICIENCY SKILLS REQUIREMENTS

An **instructor student** shall demonstrate all the required First Aid High-Liability Proficiency Skills at 100% with the results recorded on this form.

### RE-TEST

**Basic Recruit Student.** A basic recruit shall be given the opportunity for one additional attempt at the required demonstration of high-liability proficiency skill(s) or one re-examination of required cognitive knowledge in the high-liability topic. A basic recruit student who has failed to successfully demonstrate the cognitive knowledge or the required high-liability demonstration after a second attempt shall be deemed to have failed the high-liability course.

**Instructor Student.** An instructor student shall successfully demonstrate cognitive knowledge and proficiency skill(s) during the initial qualification. If he or she fails to successfully demonstrate the cognitive knowledge or high-liability proficiency skill(s) during the first attempt, he or she shall be deemed to have failed the high-liability instructor course.
