- Developmental Education Activities (new option; would list English, Math,

- Reading as searchable types; Developmental Education would be a heading only)

- Diversity Awareness Activities

- LifeMap Activities

Special Techniques Used: *(Please choose a technique(s) from the list; new section; more than one option can be selected; three headings are not searchable)*

Alternative Methods of Instruction

- Hybrid Courses

- Information Chunking

- Online Instruction

- Real World Application

Community Learning

Community Partnerships
Community Service
Paired/Linked Courses
Service Learning

Scholarship of Teaching and Learning

Action Research Projects
Community of Practice

Rubric: *(Check box indicating availability of a rubric)*

Authors: *(Please choose an author from the list)*

Discipline: *(Please choose a discipline from the list); the list can be seen at http://faculty.valenciacc.edu/jdelisle/LET/Valencia_Thinks.htm*

Courses: *(Please choose a course from the list)*

3. Webography of Scholarly Articles on Critical and Creative Thinking

Both areas will be arranged by discipline and will include scholarly, full text articles. The list of disciplines can be viewed at:

http://faculty.valenciacc.edu/jdelisle/LET/Valencia_Thinks.htm
