Architectural/Engineering Services for the Design of a Corporate Training and Classroom Building - West Campus

Notice of Recommendation of Award

A public evaluation meeting was held on Friday September 25, 2009 at 11:45AM to determine the final ranking of the three short listed firms. The committee discussed the merits of each firm's presentation. Following the discussions, the committee ranked the firms in the following order:

- Schenkel Shultz
- Hunton Brady
- C T Hsu

Therefore, it is the recommendation of the evaluation committee that contract negotiations begin with Schenkel Shultz for the design of the corporate training and classroom building. Should the college not be able to negotiate a contract with **Schenkel Shultz**, negotiations will begin with Hunton Brady and so on until a mutually agreeable contract is reached.
